

GENERAL TERMS AND CONDITIONS OF CONTRACTING

The acceptance, confirmation, or signature of any order, proforma invoice, or quotation with **JUBOPADEL INTERNATIONAL, S.L.** (hereinafter, "**JUBOpadel**") implies the full and unreserved acceptance of the following terms and conditions by the Client:

1. PRICES AND QUOTATIONS

Each JUBOpadel project is custom-designed and tailored to the technical requirements and specifications requested by the Client; therefore, no standard price list is available. JUBOpadel shall issue a personalized, written quotation or commercial offer.

The quoted prices are calculated based on current costs of manufacturing, transport, and raw materials (such as steel/metallic structures, tempered glass, and synthetic turf). In the event of an unforeseeable and extraordinary increase in the cost of such raw materials or supplies exceeding [e.g., 5% or 10%], JUBOpadel reserves the right to update the final price of the project. JUBOpadel shall communicate said update to the Client in writing at least thirty (30) calendar days prior to the scheduled manufacturing date. If the notified increase exceeds the aforementioned percentage, the Client shall be entitled to terminate the contract within seven (7) calendar days following the notification, subject to paying JUBOpadel for any design, engineering, or management expenses already effectively incurred up to that date.

2. ORDER CONFIRMATION

An order shall only be deemed confirmed, firm, and binding upon the cumulative fulfillment of the following requirements:

- a) The order or purchase request has been expressly approved, signed, and stamped by the Client.
- b) The order has received written validation from an authorized representative of JUBOpadel.
- c) JUBOpadel has effectively received the stipulated deposit or initial payment in the bank account designated for such purpose.

JUBOpadel shall not initiate any material procurement, engineering, or production work until the aforementioned conditions have been strictly verified.

3. CHANGES AND AMENDMENTS TO THE ORDER

Upon the Client's express request, JUBOpadel shall evaluate the technical and operational feasibility of making modifications to a confirmed order. The acceptance of any change shall be strictly subject to the progress of the project within the production and supply chain.

Any modification authorized by JUBOpadel that generates additional costs (materials, labor, rescheduling, or logistics) or alters the initially scheduled delivery times must be formalized by means of a written contractual amendment, approved and signed by the authorized representatives of both parties prior to its execution. No verbal modifications or requests that have not been financially validated by the Client shall be accepted.

4. PAYMENT TERMS AND PRODUCTION SCHEDULING

4.1. PAYMENT DEADLINES

4.1.1. Standard Option (Immediate period or less than 60 days)

- **Payment for Production (50%):** To be paid within a maximum period of three (3) calendar days following the signature of the quotation or order. The effective payment of this amount is an indispensable condition to activate the manufacturing process, which shall commence a minimum of thirty (30) calendar days prior to the scheduled ex-works date.

General Terms and Conditions

JUBOPADEL INTERNATIONAL, S.L.

Version 10.0, updated in August 2026. Reproduction in whole or in part must be authorized in advance by JUBOPADEL INTERNATIONAL, S.L. JUBOPADEL INTERNATIONAL, S.L. reserves the right to modify products to improve the system, always in compliance with current legislation.

GENERAL TERMS AND CONDITIONS OF CONTRACTING

- **Payment for Shipment (remaining 50%):** Must be fully settled and cleared in JUBOpadel's bank account prior to loading the goods at our warehouses. The Client acknowledges that international wire transfers may take several days to process, and it is the Client's sole responsibility to anticipate such payment to avoid logistical delays and storage costs.

4.1.2. Booking Option (Period exceeding 60 days)

- **Date Booking (10%):** If the Client wishes to secure a specific production and delivery date in the medium to long term (more than 60 days from signature), they may freeze these dates by paying 10% of the total order value. This amount must be paid within a maximum period of three (3) calendar days following the signature of the quotation or order. The effective payment of this amount is an indispensable condition to reserve the dates.
- **Payment for Production (remaining 40%):** The Client must pay the remaining amount to reach the first 50% before the start of manufacturing (including the production of customized parts), with the deadline fixed at thirty (30) calendar days prior to the scheduled ex-works delivery date.
- **Payment for Shipment (remaining 50%):** Must be fully settled and cleared in JUBOpadel's bank account prior to loading the goods at our warehouses. The Client acknowledges that international wire transfers may take several days to process, and it is the Client's sole responsibility to anticipate such payment to avoid logistical delays and storage costs.

4.2. RESCHEDULING DUE TO DELAY

JUBOpadel manages a strict global manufacturing schedule. If the Client delays any of the payments, they shall forfeit their assigned production slot or scheduled shipping date. JUBOpadel shall establish a new manufacturing and delivery date based on factory availability at the time the funds are effectively received and cleared.

4.3. TERMINATION DUE TO NON-PAYMENT AT ORIGIN

If the Client does not accept the new assigned date resulting from their own delay, or if the delay in the initial payment exceeds fifteen (15) calendar days, JUBOpadel reserves the right to terminate the contract. In such event, JUBOpadel shall retain from any amounts received the costs of materials already procured or customized, accrued storage expenses, and—as a penalty for commercial, administrative, and production management costs—up to 5%, 7%, and 8% of the total project value respectively, depending on the internal progress status of the project.

5. TAX REGIMEN AND DUTIES (VAT / TARIFFS)

5.1. EUROPEAN UNION CLIENTS

In accordance with EU tax regulations, if the Client fails to provide a valid and verified intra-Community VAT number (VIES) at the time of contracting, JUBOpadel shall be legally required to charge the Spanish 21% VAT on the total value of the project.

5.3. NON-EU CLIENTS (OUTSIDE THE EUROPEAN UNION)

Export operations are exempt from Spanish VAT. However, the Client shall be solely and exclusively responsible for the payment of all tariffs, import duties, customs fees, and local taxes applicable in the country of destination.

6. STORAGE PRIOR TO TRANSPORT

If JUBOpadel completes the manufacturing of the padel courts and the Client fails to make the final payment to release the goods, JUBOpadel shall store the material for a maximum period of two (2) months.

General Terms and Conditions

JUBOPADEL INTERNATIONAL, S.L.

Version 10.0, updated in August 2026. Reproduction in whole or in part must be authorized in advance by JUBOPADEL INTERNATIONAL, S.L. JUBOPADEL INTERNATIONAL, S.L. reserves the right to modify products to improve the system, always in compliance with current legislation.

GENERAL TERMS AND CONDITIONS OF CONTRACTING

6.1. STORAGE COSTS

JUBOpadel shall charge a storage fee of **€10 per padel court per calendar day**, counting from the date initially scheduled for loading until the full payment is effectively received. JUBOpadel shall not release or load any goods until these storage costs have been paid in full by the Client.

6.2. RIGHT OF RESALE

Upon the expiry of the two (2) month period of non-payment, JUBOpadel shall be fully authorized to terminate the contract and sell the material to third parties in order to mitigate losses. From the amount that the defaulting Client had paid on account, JUBOpadel shall deduct all product customization costs, accrued storage days, and the management expenses described in clause **4.3. TERMINATION DUE TO NON-PAYMENT AT ORIGIN** (up to 5% commercial, 7% administrative, and 8% production costs).

7. TRANSPORT, DEADLINES, AND INTERNATIONAL LOGISTICS

7.1. ESTIMATED DEADLINES

Once the goods are loaded at JUBOpadel's facilities in Beniarbeig (Alicante, Spain), the Client will be provided with an Estimated Time of Arrival (ETA). The Client accepts that transport deadlines are always estimates. JUBOpadel shall not be liable for delays caused by circumstances beyond its direct control (such as strikes, customs detentions, adverse weather, logistical congestion, force majeure, or any other reason beyond its control) nor shall it assume compensations, damages, or additional costs arising from such delays.

7.2. FRACTIONAL SHIPMENTS

An optimal load is equivalent to three (3) padel courts. Larger volume projects will require fractional shipments in multiple vehicles and on different dates. JUBOpadel does not guarantee the simultaneous arrival of all transport vehicles on the same day. Any additional logistical costs requested by the client to force simultaneous deliveries shall be borne exclusively by the Client.

7.3. TRANSFER OF RISK

JUBOpadel shall be responsible for the integrity of the goods during transit up to the agreed point of destination. The liability and risk over the materials shall transfer to the Client immediately prior to the commencement of the unloading operations. JUBOpadel strongly recommends that the Client arrange a specific insurance policy to cover the risks associated with the unloading maneuvers.

7.4. UNLOADING OBLIGATIONS AND MACHINERY

The unloading of the transport vehicle is the sole, civil, and financial responsibility of the Client. JUBOpadel shall provide a verification manual, instructions, and visual materials to guide the process. It is mandatory for the Client to have a crane or self-propelled machinery at the destination site with a minimum certified lifting capacity of 2,000 kg.

7.5. MATERIAL POSITIONING

The Client must unload and store all materials directly at the exact location where the padel courts are to be installed, allowing JUBOpadel's installers to handle them manually. If, due to the Client's negligence or error, the materials are deposited in an incorrect area, it shall be the Client's sole obligation, cost, and risk to hire the necessary machinery for their relocation, exempting JUBOpadel from any liability for delays or costs arising in the commencement of the installation.

General Terms and Conditions

JUBOPADEL INTERNATIONAL, S.L.

Version 10.0, updated in August 2026. Reproduction in whole or in part must be authorized in advance by JUBOPADEL INTERNATIONAL, S.L.

JUBOPADEL INTERNATIONAL, S.L. reserves the right to modify products to improve the system, always in compliance with current legislation.

GENERAL TERMS AND CONDITIONS OF CONTRACTING

8. LICENSES, PERMITS, AND AUTHORIZATIONS

The Client or the property owner shall be solely and exclusively responsible for compliance with all applicable legal, zoning, and administrative regulations. This includes obtaining all construction licenses, environmental permits, activity authorizations, and approvals necessary for the development of the project and the installation of the padel courts. JUBOpadel is entirely exonerated from any liability, administrative sanction, work stoppage, or damages that may arise from the lack, insufficiency, or invalidity of said permits.

9. BASE PREPARATION, CIVIL WORKS, AND ELECTRICAL CONNECTIONS

9.1. COMPLIANCE

The Client undertakes to execute the concrete base (slab) where the court is to be installed in strict compliance with the instructions, blueprints, and technical recommendations provided by JUBOpadel, respecting the levels, planimetry, dimensions, as well as the characteristics, thickness, and strength of the reinforced concrete where the metallic structure will be anchored. Any technical or aesthetic defect, breakage, or anchoring failure resulting from deficient construction, leveling, or curing of the base shall be the sole responsibility of the Client and shall void the installation warranty.

9.2. UNDERGROUND UTILITIES AND SUBSURFACE STRUCTURES

JUBOpadel shall not be held liable for damages caused to any concealed or buried elements within the concrete base (water pipes, gas lines, sanitation, electrical wiring, or telecommunications) that interfere with drilling and anchor-fixing tasks. The Client must mark or inform JUBOpadel beforehand and in writing of the existence of such elements.

9.3. UTILITY CONNECTIONS AND PRE-INSTALLATIONS

The Client is obliged to complete the preparation of the base, as well as the electrical connections, junction boxes, conduits, and wiring required for the LED floodlights, prior to the arrival of JUBOpadel's installation team.

9.4. DELAY PENALTIES FOR SITE UNREADINESS

If, upon the arrival of JUBOpadel's installers, the base is not ready, lacks the necessary electricity and water supplies for the assembly, or the electrical pre-installations have not been completed, JUBOpadel shall be entitled to invoice the Client for all extraordinary expenses arising from the delay (including, but not limited to: idle labor days, per diems, extended hotel stays, flight or return travel penalties, and schedule reprogramming costs).

10. TERMS AND REQUIREMENTS FOR THE INSTALLATION OF PADEL COURTS

10.1. STANDARD TIME ESTIMATES

The offered installation prices are calculated based on standard working conditions in indoor, clear, leveled spaces free of obstacles. The standard execution times (including rest breaks) per unit are as follows:

- **VISION PRO, PANORAMIC o SUPER PANORAMIC:** 1,5 working days for these models.
- **INFINITY o INFINITY MAX:** 2,5 working days for these models.
- **INFINITY XTREM:** 3,5 working days for this models.

General Terms and Conditions

JUBOPADEL INTERNATIONAL, S.L.

Version 10.0, updated in August 2026. Reproduction in whole or in part must be authorized in advance by JUBOPADEL INTERNATIONAL, S.L.
JUBOPADEL INTERNATIONAL, S.L. reserves the right to modify products to improve the system, always in compliance with current legislation.

GENERAL TERMS AND CONDITIONS OF CONTRACTING

- **TEMPERED GLASS KIT:** 1 working day
- **ARTIFICIAL TURF KIT:** 1 working day
- **Installation of outdoor padel courts:** One (1) additional working day per court shall be mandatorily required on top of the aforementioned times due to weather constraints.
- **Travel times, other works, and/or accessories:** Available upon request.

10.2. SPECIFIC OBLIGATIONS OF THE CLIENT ON SITE

For the correct development of the assembly, the Client shall designate a site manager and shall provide, at their sole expense:

- **a) Material Location:** Unloading and positioning of the material at the court site in a secure area and in accordance with the unloading manual.
- **b) Working Environment:** Optimal environmental conditions and high-level illumination to guarantee the safety of the operators.
- **c) Sanitary Facilities and Utilities:** Access to restrooms, potable water, and a stable electrical connection at the installation point.
- **d) Electrical Installation:** An independent, qualified electrician for routing cables inside the structures, executing final connections to the general power grid, and issuing the official electrical safety certificate.
- **e) Waste Management:** A construction dumpster or authorized disposal area located at a distance of no more than twenty (20) meters from the court.
- **f) Layout and Staking:** Exact topographical delimitation and marking of the court's position on the concrete slab, using blueprints or prior physical marking.
- **g) Final Cleaning:** Cleaning of the court structure and the tempered glass panels upon completion of the mechanical assembly.
- **h) Mandatory Presence:** Support and accompaniment by a representative of the Client during at least (as a minimum) the first working day (site inspection and kickoff) and the final working day (maintenance briefing, handover, and signing of the installation's Quality Control Certificate).

10.3. EXCLUSIVITY OF THE WORK AREA AND SAFETY

Due to strict occupational health and safety regulations (handling of heavy loads and glass panels), the installation area shall be cordoned off. The storage of materials unrelated to JUBOpadel, as well as the interference or presence of external personnel during assembly, shall not be permitted. Any delay caused by the presence of third-party contractors shall entitle JUBOpadel to halt the works, and any resulting additional costs shall be invoiced in full to the Client.

11. MODIFICATIONS TO THE INSTALLATION SCHEDULE AND PENALTIES

11.1. ADVANCE NOTICE

JUBOpadel coordinates a global logistical schedule for padel court installers, making all reservations at least two (2) weeks prior to the work commencement date as agreed with the client.

Any request to change the installation date by the Client must be notified to JUBOpadel in writing at least **two (2) weeks** prior to the scheduled date, in order to avoid additional costs of any kind related to flight bookings, accommodation, insurance, visas, rentals, or expenses of any nature, provided they are non-refundable.

General Terms and Conditions

JUBOPADEL INTERNATIONAL, S.L.

Version 10.0, updated in August 2026. Reproduction in whole or in part must be authorized in advance by JUBOPADEL INTERNATIONAL, S.L.

JUBOPADEL INTERNATIONAL, S.L. reserves the right to modify products to improve the system, always in compliance with current legislation.

GENERAL TERMS AND CONDITIONS OF CONTRACTING

11.2. SHORT-NOTICE CHANGES AND CANCELLATION EXPENSES

If the Client requests a postponement with less than two (2) weeks' notice, they shall be obliged to reimburse JUBOpadel for all non-refundable expenses already incurred (such as airline tickets, hotel reservations, visas, insurance, logistical transport, rentals, or expenses of any nature). JUBOpadel shall not restart or reschedule the installation to a new date until such extraordinary expenses have been paid in full.

11.3. SITE UNREADINESS UPON ARRIVAL OF THE INSTALLATION TEAM

If, upon the arrival of JUBOpadel's installation team, it is detected that the perimeter foundation or the concrete base exhibits deficiencies (lack of planimetry, incomplete curing, incorrect measurements and/or levels) or that health or safety conditions are not met, the Client shall be notified immediately.

The Client shall be granted a grace period to remedy the defects if operationally feasible. If immediate remediation is not possible, JUBOpadel shall order its technical team to return. The Client shall be obliged to pay all costs of this failed mobilization (lost labor days, per diems, travel, hotels, rentals, etc.), and works shall not resume until the effective payment of the same has been made and technical verification confirms that the base is suitable to start or resume the Works.

11.4. RIGHT OF TERMINATION FOR DEFAULT

If the Client refuses to pay the non-refundable expenses generated by a cancellation or postponement with less than two (2) weeks' notice prior to the start of the installation, JUBOpadel reserves the right to terminate the contract for Client default, strictly applying the financial retentions and penalties for management costs stipulated in clause **4.3. TERMINATION DUE TO NON-PAYMENT AT ORIGIN** of these General Conditions.

12. EXCEPTIONAL REGIMEN FOR FLIGHTS, ACCOMMODATION, AND CATERING AT THE CLIENT'S EXPENSE

As a general rule, JUBOpadel assumes, manages, and includes the travel, accommodation, and per diem costs of its technical team in the global project budget. However, if it is exceptionally and explicitly agreed in writing that such concepts shall be borne by and at the direct expense of the Client, the Client shall be obliged to strictly comply with the following minimum quality, health, and occupational safety standards:

12.1. TRAVEL AND FLIGHTS

The Client undertakes to purchase tickets with premium, full-service airlines; the booking of low-cost carriers, flights with excessive layovers, or schedules that compromise the operators' rest periods is expressly prohibited. Furthermore, the Client must fund and include checked baggage allowances (suitcases and tools) in the reservation, following the technical instructions provided by JUBOpadel. Every proposed itinerary shall require JUBOpadel's prior written approval before purchase.

12.2. ACCOMMODATION AND LODGING

In order to guarantee the optimal daily rest of the team after a physically demanding day of assembly, the hotel or establishment selected by the Client must strictly comply with minimum standards of habitability, comfort, climate control, and hygiene. The international standard of the Holiday Inn hotel chain (single rooms, private bathroom, and breakfast included) is established as the minimum required quality benchmark. The selected accommodation must be expressly validated and approved by JUBOpadel prior to a firm booking.

General Terms and Conditions

JUBOPADEL INTERNATIONAL, S.L.

Version 10.0, updated in August 2026. Reproduction in whole or in part must be authorized in advance by JUBOPADEL INTERNATIONAL, S.L. JUBOPADEL INTERNATIONAL, S.L. reserves the right to modify products to improve the system, always in compliance with current legislation.

Client

GENERAL TERMS AND CONDITIONS OF CONTRACTING

12.3. CATERING AND MEAL ALLOWANCES

The daily budget allocated for the technical team's meals shall be fixed by mutual agreement with JUBOpadel prior to the start of the trip. This amount shall be calculated based on the average cost of living in the destination country for a highly qualified professional performing intense and continuous physical activity throughout the working day.

12.4. NON-COMPLIANCE AND SAFEGUARD CLAUSE

If, upon the arrival of the technical team or during the course of the project, it is found that the Client has failed to comply with the agreed minimum standards (e.g., incorrect flight booking, unsanitary accommodation, or non-payment of meal allowances), JUBOpadel shall immediately and automatically assume the direct management of the reservations, purchases, and catering. The Client shall be obliged to immediately reimburse the full amount of such extraordinary expenses.

JUBOpadel shall be fully authorized to immediately halt the installation works of the courts, exempt from any liability for delays, until the Client has settled all accrued amounts.

If the Client refuses to pay the non-refundable expenses generated by a cancellation or postponement with less than two (2) weeks' notice prior to the start of the installation, JUBOpadel reserves the right to terminate the contract for Client default, strictly applying the financial retentions and penalties for management costs stipulated in clause **4.3. TERMINATION DUE TO NON-PAYMENT AT ORIGIN** of these General Conditions.

13. IMPACT OF WEATHER CONDITIONS ON DEADLINES AND SAFETY

13.1. TECHNICAL RESTRICTIONS DUE TO ADVERSE WEATHER

The Client accepts and understands that, although moderate rain or snow does not prevent the assembly of the metallic structure, critical installation processes are absolutely conditioned by the weather:

- **a) Tempered Glass:** Rain, strong winds, or snow make the surface of the glass panels highly slippery and dangerous. For the strict occupational safety of the operators and to prevent material breakage, glass installation shall be suspended under these conditions.
- **b) Synthetic Turf and Sand:** Precipitation completely prevents the correct gluing of the synthetic turf joints and makes it impossible to subsequently ballast and evenly spread the silica sand (which must be applied completely dry).
- **c) Critical Minimum Temperatures (<10°C / 50°F):** Temperatures below 10°C alter the chemical and curing properties of standard installation adhesives. If the Client anticipates that the installation will take place in an area or during a season with temperatures below this threshold, they must mandatorily notify JUBOpadel in writing prior to the dispatch of the goods, in order to allow the supply of specific additives or installation materials for cold climates.

13.2. SUSPENSION OF INSTALLATION DUE TO CLIMATE-RELATED FORCE MAJEURE (EXTREME THERMAL STRESS)

JUBOpadel reserves the right to modify assembly schedules, reduce the working day, or temporarily suspend outdoor (or indoor) installation works when ambient temperature, humidity, or wind conditions pose a serious and imminent risk to the health and safety of the operators (risk of thermal stress due to extreme heat or cold), in accordance with current occupational risk prevention regulations.

For objective purposes, assembly tasks shall be interrupted in the following scenarios:

- **Due to Extreme Heat:** Whenever the Spanish Meteorological Agency (AEMET) in Spain, or the official meteorological services in destination countries, issue alerts for high temperatures equivalent to Orange or Red levels; or when the

General Terms and Conditions

JUBOPADEL INTERNATIONAL, S.L.

Version 10.0, updated in August 2026. Reproduction in whole or in part must be authorized in advance by JUBOPADEL INTERNATIONAL, S.L.

JUBOPADEL INTERNATIONAL, S.L. reserves the right to modify products to improve the system, always in compliance with current legislation.

GENERAL TERMS AND CONDITIONS OF CONTRACTING

WBGT (Wet Bulb Globe Temperature) Index measured at the site exceeds 28°C (82.4°F) for tasks requiring physical effort.

- **Due to Extreme Cold or Frost:** When the actual ambient temperature drops below 0°C (32°F), or when the combination of actual temperature and wind speed generates a wind chill factor (Wind Chill Index) below -5°C (23°F), compromising mobility, the safe handling of tools, metallic structures, and glass panels, or the correct curing of fastening materials.

Suspensions of activity covered under this clause shall be considered a force majeure event. JUBOpadel shall be exempt from any penalty for delay in execution or delivery deadlines of the courts, and shall not assume any costs arising from the stoppage of work for these reasons. Any interruption due to these circumstances shall be notified to the client as soon as possible, proceeding to reschedule the works by mutual agreement.

JUBOpadel is completely exempt from any liability for delays in delivery, contractual penalties, claims for damages, or loss of income/lost profits (such as canceled court reservations or delays in the club's grand opening) that are directly or indirectly caused by adverse weather conditions.

14. FORCE MAJEURE AND EXONERATION OF LIABILITY

14.1. DEFINITION AND EXEMPTING EVENTS

JUBOpadel shall not be contractually liable, nor shall it be deemed to have breached its obligations, for any delay, error, or failure in the performance of its duties (including the manufacturing, shipment, or installation of the courts) that is caused by extraordinary circumstances beyond its will, foresight, or reasonable control. Such Force Majeure events include, but are not limited to: critical accidents or delays in maritime or land transport, sector-wide strikes or lockouts, unforeseeable border closures or customs detentions, national or international emergencies, fires, floods, earthquakes, or other natural disasters, epidemics or pandemics, acts or restrictions of public authorities or government officials, wars, terrorist acts, civil unrest, sabotage, cyberattacks, as well as widespread interruption of telecommunications services or power supply.

14.2. PROCEDURE AND DUTY OF NOTIFICATION

In the event of a Force Majeure occurrence directly or indirectly affecting JUBOpadel's production, logistics, or installation teams, the company shall notify the Client in writing within a reasonable period not exceeding seven (7) calendar days from becoming aware of the event. JUBOpadel shall adopt all reasonable commercial and internal measures to mitigate and minimize the impact or interruptions in service, and the counting of contractual deadlines shall resume immediately after the cause that motivated the suspension ceases.

14.3. LIMITS TO FORCE MAJEURE (PAYMENT OBLIGATIONS)

The occurrence of a Force Majeure event shall temporarily suspend JUBOpadel's delivery or installation obligations without giving the Client the right to claim compensation or damages. In no case shall Force Majeure exempt the Client from the strict fulfillment of their payment obligations already accrued or corresponding to materials already manufactured or dispatched.

15. WARRANTIES, THIRD-PARTY COMPONENTS, AND LIMITATION OF LIABILITY

15.1. ADHERENCE TO THE MAINTENANCE MANUAL

All padel courts supplied by JUBOpadel are covered by a specific commercial warranty whose validity, term, and coverage are strictly contingent upon the correct use of the facilities and rigorous compliance with the preservation guidelines described in the company's User and Maintenance Manual. The Client declares to be aware of, understand, and bind themselves to strict compliance with said technical protocol. Any damage resulting from natural wear and tear from play, vandalism, negligence,

General Terms and Conditions

JUBOPADEL INTERNATIONAL, S.L.

JUBOPADEL INTERNATIONAL, S.L. reserves the right to modify products to improve the system, always in compliance with current legislation.

GENERAL TERMS AND CONDITIONS OF CONTRACTING

accidents, extreme weather events, or a deficient construction of the concrete slab shall be completely excluded from the warranty.

15.2. REGIMEN FOR THIRD-PARTY COMPONENTS AND MATERIALS

For the assembly of the comprehensive padel court kit, JUBOpadel applies rigorous quality control in selecting the best suppliers for peripheral components (such as synthetic turf, tempered glass, LED lighting systems, or play nets). The Client explicitly accepts that the warranty and legal liability for such materials rest exclusively with their respective original manufacturers.

15.3. CLAIMS MANAGEMENT

In the event of a manufacturing defect in any of the components mentioned in the preceding clause, JUBOpadel—by virtue of its commitment to customer service—shall assume in good faith the processing, intermediation, and active management of the claim before the corresponding manufacturer to facilitate a solution. However, JUBOpadel shall not assume direct costs or compensations for failures attributable to the manufacturing processes of such external suppliers.

16. COPYRIGHT, INTELLECTUAL PROPERTY, AND CONFIDENTIALITY

16.1. EXCLUSIVE OWNERSHIP

All information, documentation, and technical or commercial material provided by JUBOpadel to the Client during the prospecting, planning, budgeting, manufacturing, or installation phases of the padel courts (including, but not limited to: detailed economic offers, renders, technical blueprints, engineering reports, calculation methodologies, photographs of materials, unloading manuals, assembly guides, and maintenance protocols) are the exclusive property and ownership of JUBOPADEL INTERNATIONAL, S.L., or its respective licensors.

16.2. PROHIBITION OF REPRODUCTION AND USE

The provision of such documentation does not grant the Client any ownership right, commercial use license, or exploitation right over JUBOpadel's designs or technology. The copying, total or partial reproduction, modification, transformation, distribution, or public communication of any material provided to third parties or competing companies without the express written authorization of JUBOpadel's management is strictly prohibited.

16.3. TRADE SECRETS AND PENALTIES

The Client binds themselves to treat all technical, commercial, and economic documentation received as strictly confidential and commercial trade secrets (know-how). Non-compliance with this obligation by the Client, their employees, or subcontractors shall entitle JUBOpadel to immediately terminate any current contract, retain deposits received as compensation for damages, and initiate appropriate legal actions for the protection of its industrial and intellectual property rights.

17. PERSONAL DATA PROTECTION

In accordance with the General Data Protection Regulation (GDPR) of the European Union and the current Organic Law on Data Protection and Guarantee of Digital Rights (LOPDGDD) in Spain, JUBOPADEL INTERNATIONAL, S.L. (hereinafter, "JUBOpadel"),

GENERAL TERMS AND CONDITIONS OF CONTRACTING

acting as the Data Controller, hereby informs the Client that the personal data provided during the commercial relationship will be processed for the purpose of managing the contractual relationship, processing the manufacturing, shipment, billing, and installation of the padel courts, as well as sending legitimate commercial communications regarding the company's services.

The data will be stored for the period necessary to comply with the legal, tax, and contractual obligations arising from the commercial relationship. No data shall be disclosed to third parties unless required by law or to logistical, customs, or technical service providers directly involved in the execution of the project.

The Client may exercise their rights of access, rectification, erasure, restriction of processing, data portability, and objection at any time by sending a written communication to JUBOpadel's official email address, attaching a copy of their identification document.

18. GOVERNING LAW AND JURISDICTION

These General Terms and Conditions of Contracting shall be governed by, construed, and enforced in all respects in accordance with the national and current laws of Spain. The application of the United Nations Convention on Contracts for the International Sale of Goods (Vienna Convention of 1980) is expressly excluded.

For the resolution of any doubt, controversy, discrepancy, or claim that may arise from the interpretation, compliance, performance, or termination of the contracts concluded under these General Conditions, both parties expressly submit—waiving any other venue, jurisdiction, or legislation that might legally correspond to them—to the exclusive jurisdiction of the Courts and Tribunals of the city of Dénia (Alicante, Spain), or failing that, to those of the city of Alicante.
